

Circular Solutions for Asset Management

Mitie Group in partnership with Clear Workspace

Executive Summary

Mitie Clear Workspace provides an innovative solution for office clearances, relocation, storage, asset purchasing, and furniture refresh services, in the aim to deliver an outstanding service whilst achieving a Net Zero future.

Sustainability is at the heart of our operations and reducing our climate impact is a priority. To demonstrate this to clients, we:

- Redistribute quality assets for reuse via charity and reuse partners within the UK
- Always handle and process assets in accordance with the Waste Hierarchy
- Endorse the Circular Economy by viewing assets as a resource, not waste

Our Services

Benefit from our range of services, with the inclusion of office clearances and removals, relocations and secure storage, asset purchase and our furniture refresh service.

Office Clearance

We allocate a dedicated Move Manager to each project, ensuring a smooth and well-planned office clearance, relieving the stresses and pressures of transition. Mitie Clear Workspace possess full liability insurance, complying with all applicable regulatory standards. .

Relocation & Storage

Our specialised relocation service takes a comprehensive view of the procedure – from planning and packing, to handling, tracked transfer, storage and installation. At our storage facility, your items – whether large or small – are in a safe and secure home, whether as a temporary or longer-term solution.

Asset Purchase

Advocating transparency and best practice, our Team will advise if your furniture holds value that has been missed, or you were unaware of, making a competitive purchase offer.

Operating in EMEA

We conduct moves and clearances throughout the UK and Europe on a regular basis, from projects in London and Dublin, all the way to Brussels and Madrid.

Furniture Refresh Service

Decarbonisation and circular solutions are fundamental to a successful ESG strategy, which is why we're introducing our innovative Furniture Refresh solution

Revitalise and sanitise your furniture with our expert respray, cleaning and recovery service. Our refresh service extends the life of existing furniture, preventing unnecessary waste output and expenditure for disposal and outlay.

Breathe new life into your office furnishings and create a workspace that reflects your company's quality and style.

Your Team

We Are Here To Help

Customer satisfaction is at the heart of our service at Mitie Clear Workspace.

Your project will be managed by your dedicated Business Development Director and delivered by our experienced and professional CSCS-accredited frontline crew.

A dedicated site manager will always be onsite, supporting you every step of the way to ensure we deliver a bespoke and memorable service.

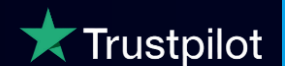

We invest heavily in our team and advancing their careers. As our frontline ambassadors, we ensure our staff are provided with the highest standards of training, qualifications and support, allowing them to consistently deliver a high-quality service, with maximum customer satisfaction.

"The guys who collected our furniture were punctual, respectful and very professional.

They didn't even mind when we asked them to offload some chairs that had been put on in error!"
